San José Family Camp

San José Family Camp is a 40-acre campground located in the heart of the Sierras just off Highway 120 near the West gate of Yosemite National Park. Both the Stanislaus National Forest and the Tuolumne River serve as a scenic backdrop to this mountain playground. Family Camp offers stress-free camping for families, providing a wide variety of activities for children and adults.

A low per-night price includes accommodations, meals, staff-led activities and the use of recreational facilities including the swimming area, softball field, and volleyball court and archery range. There are a variety of recreational activities that the entire family can enjoy such as playing bingo, watching a movie under a canvas of stars or participating at a campfire. Camp also has special supervised activities (not licensed day care) for 3-6 year olds, so adults can enjoy other activities. Limited wheelchair accessible facilities are available. Reservations are required, and tend to fill quickly. Stay for one night or for a week. San José Family Camp offers fun and relaxation for everyone in your family. Our early registration will be on Saturday, February 28th 2009.
